Neighborhood Greenways are low-speed, low-volume, shared-space streets that create high-comfort walking and bicycling connections for you and your neighbors.

## What is a Neighborhood Greenway?

**Neighborhood Greenways** are low-speed, low-volume, shared-space streets that support high comfort walking and bicycling connections. Our 2019 Transportation Plan designates several City streets for the design and installation of Neighborhood Greenway facilities as part of the Priority Bicycle Facilities Network. To design and install Neighborhood Greenways, the City follows the Staff-led Traffic Calming and Neighborhood Greenways process.

For information on the Traffic Calming and Greenways process visit:  
[www.bloomington.in.gov/tcgp](http://www.bloomington.in.gov/tcgp)  
For information on the Bloomington Transportation Plan visit:  
<https://bloomington.in.gov/transportation/plan>

## What should I expect?

Neighborhood Greenways are an important component of the community's plans to support an improved quality of life and connectivity. Past Neighborhood Greenway projects have shown an increase in the number of people walking, rolling, and bicycling in the area.

Residents may still park and drive on the Neighborhood Greenway. Traffic calming devices such as speed bumps and bump outs reduce the likelihood that drivers will speed on these streets.

Check out the Neighborhood Greenway video that has examples from Bloomington's first greenway projects:  
<https://youtu.be/ZEFevTJUKOM>.

## Project Timeline

- 1. Informational Neighborhood Letter**
- 2. First Meeting: Project Scope & Objectives:**  
Wednesday, May 10th (Details below)
- 3. Second Meeting: Design Review & Feedback:**  
Summer 2023- Details will be posted on [www.bloomington.in.gov/tcgp](http://www.bloomington.in.gov/tcgp)
- 4. Open Comment Period: Open Now**
- 5. Bicycle and Pedestrian Safety Commission Review**
- 6. Installation: Spring 2024**

## How to Stay Involved

**Submit Feedback to the Open Comment Form:** Details posted on <https://bloomington.in.gov/engineering/projects/morningside-0>

### Attend a Public Meeting:

Wednesday, May 10, 2023

Drop-In 5:30pm -7pm

Park Ridge East Part Shelter

Rain Date Scheduled for Thursday, May 11 at 5:30pm

## For More Information

Hank Duncan, Bicycle and Pedestrian Coordinator
